Continued Examination Under 37 CFR 1.114

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 18 November 2004 has been entered.

The following is an examiner's statement of reasons for allowance:

Upon reconsideration of the facts in this application, and review of *In re Doll*, 419 F.2d 925, 928, 164 USPQ 218, 220 (CCPA 1970), Applicant is correct in the conclusion that because the broadening reissue application was timely filed, the claims can subsequently be further broadened in the pending reissue application, even if the additional broadening occurs beyond the two year limit.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
